🕒 Time: 1900-2000

Canberra Kart Racing Club Executive Committee Meeting Minutes

Attendees: Bob Harnas (P), Brian Gahan (S), Robin Mules (FO), Karla House (ML), Paul McCabe (RD),

Apologies: Tahn Eather (VP)

Meeting opened at 1905.

The previous meeting minutes were from the February Committee Meeting (20260204_CM_Minutes). These have already been accepted and published.

P – Opened the meeting and thanked attendees for their ongoing engagement and assistance with the running of the club.

The focus of this meeting was to confirm that all arrangements were in place for the upcoming ACT State Titles to be held over the weekend of March 7th/8th. And the subsequent 4SS hire the week after. Specifically:

P – Give keys and blue-plate stickers to S.

RD – Action a number of class changes that had come in via email (Adam, Gibson, Pridham). This wouldn't be a problem.

FO – Collect the trophies on Thursday.

ML – Meet and escort the VIP (Member for Brindabella) when she arrives and, in the lead, up to the trophy presentation.

S – Provide keys to Michelle on Thursday.

RD – Collect the radios on Thursday.

P – Cleaner has been arranged and will be coordinated through Jackie – will clean and restock mid-morning Fri, Sat and Sun.

RD and S – Set up the track with all Dunlop sponsorship items (inflatable arch, teardrop flags, banners)

RD – Issue an addendum to permit 2x sets of tyres for KZ2.

S – Setup the random draw for the tyres.

RD – Ensure discrete practices are established in MyLaps for each class for Friday practice.

RD and S – Manage the ingress of entrants for setup and positioning of trailers.

RD – Put fire extinguishers out so they can be checked and re-certified on Thursday afternoon.

P – Confirm with MX club that we can use their area for overflow car parking.

P – Special mention to Brett for completing the integration of the 100g scales into the existing concrete scales area. These will be great to use during Titles and make the flow of karts much more efficient.

S – The club had received an email from the FPCC advising that they had been in contact with a tyre disposer. They would continue the negotiation to assist us in getting rid of the old tyres. They had allocated \$4000 towards the disposal and asked that we commit to the same. S put forward a motion that the CKRC should contribute \$4000 as well towards the cause. Seconded by P and ML.

ACTION: S to advise FPCC by email that the CKRC would contribute \$4000 in addition to the FPCC \$4000 towards the tyre disposal.

RD – The club emailed the ACT Government surrounding the requirement to run noise compliance checking at ACT Titles. After some back and forward, the club has been advised that even though we will be closing the track next year and re-opening under further improved noise abatement, they would still like a compliance check performed. It was agreed that this compliance check would be performed at the Canberra Cup / November meet and provided to ACT Government before the end of calendar year.

ACTION: RD to arrange the previous noise compliance checking company for November 2026.

P – Advised that he'd spoken with Track Maintenance and ensured that the bins used for Titles would be cycled with empties for their hire. Additionally, RD and S would attend the track in the week after Titles and ensure that the Tower was clean and tidy, along with the stewards room and grounds.

Closed at 2000

Upcoming Meeting Schedule:

TBA March 2026 – Executive Committee Meeting

TBA April 2026 – Executive Committee Meeting
